RE: Additional Workshop Sessions on New Medicaid Claims Processing System Scheduled for Birmingham

EDS will host a second round of workshops in Birmingham to offer additional sessions for providers not able to attend previously. If you attended a workshop at the Homewood Public Library the week of January 7, you do not need to attend the new workshops as the material being presented is the same.

The workshops will introduce you to interChange, the new Medicaid claims processing system, which will be implemented on February 23, 2008. The interChange system will bring some changes to the way you are currently submitting claims to Medicaid.

The location for the workshops will be:

Embassy Suites
2300 Woodcrest Place
Birmingham, AL
February 18 and 19

Schedule:

February 18

8:30 am CMS-1500
11:30 am UB-04
2:30 pm CMS-1500
5:15 pm Pharmacy

February 19
